“ *My mom has always been there for me through thick and thin. Some of my favorite times together was our trips to Disney World. We are both huge fans of "The Mouse". I remember my mom and dad going one year and was able to sit on the balcony of their room and watched Princess Diana and the boys play on the beach. She said it was fun to watch them interact with each other like everyone else there. So many memories and so much love shared with our family.*

So many memories in a blended family, never using the step-sibling in the house. We were & are family. We were loved whole as one family. Rest well Mom & dad—much love.
