“Renee Dickey Palmer, I have never met a more loving, gentle, Kind soul in all my years. We met almost 4 years ago when you started attending my small ladies group SOS. The ladies loved you, I watched as you encouraged them, comforted them and made them feel like they could conquer the world, you just always knew what to say. Through laughter and tears we had so much fun. Then you came to me and asked if you could help me and volunteer at the Hope House (homeless shelter) I thought that was amazing, You were such a hit and they loved you immediately, especially Dee, Kim Benke, Joey and Kim Rigsby Anderson, the whole crew! You made a difference in their lives. I still cannot believe that I will never see you again until we meet in Heaven, Our Father is so great that he has promised us eternal life with him and our loved ones. Until then my precious friend I will miss you like crazy but I know that I also have another Angel watching over me. I love you Renee Dickey Palmer and will treasure all the memories and times that we spent together.

Love Laura Webb

*I am so happy I was introduced to Renee by my sister Candi. Renee always had a smile for anyone in her company. She had a laugh for your joke or made you laugh from one of hers. It's sad that such a beautiful soul has left us. I do know her eternal life will be a happy place for her.*
