“ We are so saddened to see that Bob has passed. Dick has so many great memories with him from their youth. Dick always marveled at Bob's abilities playing baseball, particularly as a pitcher.. They stayed in touch through the years often when Bob was in Springfield for a visit. All of their interactions were so enjoyable as if no time had passed.

Sending Penny, Bobbi, Angie, Jack, Denny and the entire family our most sincere, heartfelt condolence.

“ When I think of Bob I think of family. Bob worked with my husband John Pelham and they were like brothers in the insurance and investment industry. Bob always loved to laugh and cut up and he was a pleasure to be with all ways of course Penny was right there by his side always making sure he behaved. Bob was indeed a particular type of man of his own and he loved people and we all loved him. May you rest in peace my dear brother. Mary Pelham

It was a joy to work with Bob in the financial industry. He was knowledgeable and made each client feel that they were his first priority. It was a pleasure to work and spend leisure time with him. Eternal Rest grant unto him, O Lord
