“ Bob was a well-liked guy at General Mills. There are some people that do more than their part to make the world a more enjoyable place, Bob was one of them. He had a joy that he shared and it was especially present when he told stories, boy was he good! The Irish would say that he had the gift. He was also genuine and displayed an earnestness that conveyed that he cared, cared about you, his family and those around him. I would like to express my heartfelt condolences to Faye and to the kids for this sudden unexpected loss. My family will keep you in our prayers, God bless you!

“ *Bob and I worked side by side for many years on the Premiums and Sampling team at General Mills. He was such a delightful personality, he made coming to work fun. But he was also a great mentor and knew a ton about the business. I learned from the best with Bob. I am so saddened that he is gone. He is with his Lord now and entertaining the angels. God bless you Bob, I miss you very much. Pam Herman*

“ *I worked with Bob for many years before I retired from Big G. He handled all of the premiums for our cereal product during that time and did a remarkable job. Always a good man to talk to and visit with. I remember how excited he was when you were able to bring the kids home from Colombia. The last time I saw him was at a 25 year club dinner and he was excited about some new responsibilities he had taken on. We will all miss him and I am sending prayers for you. God Bless!*

“ *This is Frances Ann Lightfoot's (DeCubellis) daughter Debbie Faulk. We were told of your loss by Horace Lee. So sorry to hear of this. I remember Aunt Kitty and her family when I was a girl visiting. My Mom has dementia now and I'm sure she would want to express her condolences if she could. Your family will be in our prayers.*
