“ Our hearts go out to each of the McKee brothers. All of you were like family. We have so many memories of y'all in our youth group- Bible stories and puppets at Victory. Robin kept in touch as she and her husband traveled. Please know we are praying for each of you. We send our love 💕💕

“ Sympathy to the family. I met Robin many years ago when she lived in Hays Ks. She was strong in her faith.

“ It seems like only yesterday when we first met, and that bubbly smile of yours trying to knock the little rabbit off of your head and seeing all those little wonderful smiles at Christmas time. The look on your face when Lee Greenwood kissed your hand and sang "God Bless the USA". That long night at the Ellis County fair when Little River Band invited you backstage and I was left out in the stands. The memories we shared from the first breath our daughter took, too all the countless musicals, the curvy serves at all her volleyball games, and those wonderful birthday parties you would throw for her. Our daughter has grown into a beautiful young woman because of her upbringing. A big part because of you placing your faith in Jesus Christ. I wish I could turn back the hands of time for what has become of that journey... but very thankful that I was able to be a part of your life for 18 wonderful years. Its hard to believe youve gone onto heaven without us...but I know the angels on heaven's golden streets are excited for your homecoming. So for now, I must say we all love you and will miss you dearly. but will miss your embrace until we see you again in heaven...Love, Snuggles
