“ I remember Ron as a good friend that I met Ron are freshman year in high school we played 4years of football together when I first met Ron's dad he told me he grew up with my dad he said that they called my dad the crazy Irishman funny how things happen .Me and Ron and my brother Mike ran around and I must say raised a little hell nothing bad but just had each other's back's. We would go up to the Wisconsin dell and Wilmont to snow ski and of course drink a little beer as back then it was 18 years old to drink beer then. Love buddy God speed will someday see you on the other side.
