My best memory of Ronnie is that he was a happy positive person, the glass was always half-full with him. He had a heart of gold and would give you the shirt off his back and if he didn't have it he would find a way to get it for you. He was loved by many!!

Ronnie was my friend both in highschool and a few years before he left for California. He could always make you laugh and was fun to be around. I have some stories and fond memories of him that I will always keep close to my heart. RIP Ronnie, you were one of a kind.

I remember you Dennis. You dated a friend of mine named Judy back in the day. I think Ronnie and I went on a double date with you guys. Funny what you remember.
