“ You all ways cared no matter the situation. You all ways had calm peace and love in your pocket 24 hours and a open door to welcome your family. I remember in 2014 when I would finish up being mommas care giver been there sometimes 8 to 10 hours and so so tiered and sleepy 7 days a week I could call you while driving home so I could stay awake yes it was on speaker and you sometimes could not hear the words but you said as long as I hear your voice I know you are safe. You have all ways been there for me . When I left the hospital from birth after hurricane Donna I was brought to your home because you had power and a small grocery store so my momma had access to what was need for a 3 pound baby needed . You bleached the walls and ceiling for this small niece so I would be safe. You Aunt Rosie gave me the chance for my life when the doctors were not to hopeful . I will all ways be not only great full but love for you until I see your sweet self again . You were and all ways was a 2 nd momma to most of us your life traditions family and love will go on . It will be hard but you showed us how to love each other and that will be what we need to do to make it threw this very difficult time of our loss. Love you for ever your niece Cheryl

Rosie Haworth and I, Erika, have shared a lifetime of events together. Sometimes funny, sometimes sad, some were scary. Together we explored Viginia, had a fabulous time. I am grateful for every minute we were given. Rosie is now resting in her heavenly home with all the saints gone before her. Rest in peace my friend.
