“ *Wayne called our home yesterday to tell us of Ruby's death. By fortunate coincidence, we were all together for the Jewish holiday, so we were able to console each other at this terribly sad time. Ruby took care of our home and family when our kids (Becca, Matt, and Sam) were growing up, and we all remember her with great love. Those "kids" are all grown and married now, with homes and careers of their own, and three children among them (plus another on the way), but the passage of time has done nothing to diminish our fondness for Ruby. One of our favorite memories of her concerns the time a terrible flu struck both parents and all three kids in our house at once. Besides working for us and other families, Ruby had a full-time job at the Stock Exchange, so the only day she had off from work was Sunday, which she usually spent in church. But when we were all sick she showed up unexpectedly on a Sunday morning at our house, just because she knew we needed someone to take care of us -- a truly Christian act of kindness. We all miss her terribly, and we thank God for the gift of having had Ruby in our lives.*

“ Ms. Ruby always made my heart smile every time she called me to chat. Her tone was loud her voice was full of positive vibes and she always made it a point to call me out on something she felt I needed to pay extra attention too.

*She kept me in line! -to make sure I was being the best me I could be for her son and her grandchildren. I will forever treasure Ms. Ruby in my heart because she was a hard working woman and respected the fact that I am too. She raised 3 strong men and did a great job at it!*

*I love you Ms. Ruby - I will continue to have our conversations during my daily prayers and meditation. You will forever live in my heart.*

*Rest in peace mom.*

*Love always,*

*I met Miss Rubes , as I called her, years ago when I worked at Breezes Montego Bay as Hotel Manager. The minute I met her, I knew this was not going to be an ordinary guest worker relationship. Her personality was so wonderful it was like I knew her for many , many years. Ruby was a wonderful , open, kind , caring person.*

*I really cherished the relationship I had with her. I loved the hours we spent visiting on the phone.*

*I will miss her laughter. Her sense of humour was tremendous. I am going to miss that.*

*To her sons Wayne, Robert, Andrew and her grand children ,your Mom was a wonderful lady and touched the lives of many people.*

*Take comfort in the fact that her Soul Will Rest In Peace.*

*Miss Rubes, my friend I am going to miss you.*
