“ Our sympathy goes out to Ruth's family who always kept in touch with her and their many, many visits to Lakeland to see her. She loved you all so much! For her to use the computer and keep in touch was always amazing!!! She would tell us about the videos and pictures she would receive from her family. It made her so very happy. She was like our family long before her long time friend, Zue Hauver (Stewart's mother) passed away. We kept in touch via email and always talked to her on her birthday, but we missed hearing her voice this year. She will be so missed. By the way, we gave her "Angelina" after Rachel died and she loved that little angel. :)

We loved Ruth dearly! Happy Birthday dear Ruth. :) We will always remember you.
