“ We are so wishing we could have been still in Florida to join with Charlie and the family in this time of loving remembrance of our dear Sally. We do join in your time of mourning and remembrance of this Proverbs 31 lady. Her life demonstrated the fruits of the spirit in a way that few of Gods children do, and He blessed her for it with a long life and an amazing family, who with all who knew her, will rise up and call her blessed. To our family she was always a kind encourager, a beautiful example, and a thoughtful friend. Loved the wonderful visits over the years, and give God thanks for the time together only 2 weeks ago. So thankful for this family, and how we can rest together on the promises and hope we have in Jesus. Hugs to each of you. God bless And keep you as you hold each other up.

“ *Sally was an absolute wonderful and beloved sister in Christ.*

She and Charlie as well as the entire family have been such a blessing to know. It was always a joy to see her and Charlie on their favorite pew in church. They were so faithful and the entire church family loved them greatly.

I loved to visit with them in their home and I was the one who always came away with the blessing from the visit.

Our hearts are saddened to hear of her passing, but yet we have the joy of knowing that this faithful saint of God has already entered into the presence of the Savior she knew she would spend eternity with.

We are praying for Charlie and the family. And although we are separated by miles we are close to you in the spirit of oneness and love through our Lord Jesus. May you be filled with the peace of knowing where she is and that there will be a wonderful day when we will join with her there in heaven. Hold dearly to the precious memories and if you counted them one by one you will have more than enough for a lifetime.

May the hand of God comfort you and keep you close during this time.
