“ *Dear Ken and Lita I am so saddened by the news of Sarah I will continue to keep her in my prayers and hope she is now a free spirit living in heaven. My love to you both and best wishes as the years pass and you give great guidance to your beautiful and very handsome little man Zane. Should you like to call plays feel free or stay in touch via email or text. Ken pleas stay in touch as you we're such a great friend to me @ the passing of my dad and again my mom. Deepest sympathy your friend Louise and Jack*
