He loved the Auburn Tigers as well as a huge Tampa Bay Lightning. He was a motivated young man. Seth was employed by Fields Motor Cars/Mercedes of Lakeland as a Service Technician in training and as well as the 24-hour roadside assistant. Seth loved his job and was so eager to further his career and learn more. Anyone who knew Seth knew his love of cars! Anyone who knew Seth also knew he was as genuine as they come. He was an honest,

kind, funny, well-rounded young man. He was the type of person to brighten the room when he entered. Seth was a softy, and many could attest to that. Seth was a part of a motorcycle group that became a second family to him. They spent a lot of time together doing what they loved. Seth didn't have any brothers, but he gained many being a part of the 863 Crotch Rockets biker group. Many people would agree that Seth had a HUGE heart and made people know he cared about them. Seth was the voice of reason for some and the sunshine in his moms' eyes. A visitation will take place Saturday, May 13, 2023 at 11:00AM at Gentry-Morrison Funeral Home Serenity Gardens Chapel.
