“ Our Love and Prayers go out to each and every one of you, for the loss of one of the most Special Woman we have ever known. Sherri, was like a sister to Carl & myself & we had some of the Greatest talks that Friends could have over the 30 some yrs. we have know she and Bill. (Also our Mark). You just don't find Friends like them very often.

We are so sorry that Sherri, had to have that nasty word Cancer but, she put up a real fight until the very end..I Gayle,and Bill, was with her through most of her chemo treatments and Dr. Appts...and she would almost always have that smile on her face...but I think Sherri, knew towards the last mo. that it was not going to be long until she was going to be with her God....Sherri, and I had a Great talk on the Sat. before she had to go to the hospital the next wk....It will be a time that I will never forget...as she told me that next to her Family Carl and I were like her brother and sister...As I laid across the bed with her, she reached up and touched my cheek and looked at me with those big brown eyes and told me, Thanks for being with her and said she loved me...I will never forget that day as long as I live...and I in return told her the feeling was mutual.

Bill, you were one of the best Husbands anyone could ask for and Sherri, loved you so much. God saw that the two of you were together when he called her home...as we know it was very hard on you but, you were with her & Karen also.

Bill, Mark, Sunshine, Karen, and Grandchildren, she love all of you so much. It is now up to all of you to continue your lives, and be thankful for all of the Love she showed each one of you and the great memories that you have of her...as SHERRI, WAS ONE FINE LADY.

Carl, and I are sending our love to all of you & we are keeping those GREAT MEMORIES also....
