“ Our love and prayers are with the Connell family today and in the coming days. Sheryl brought something to the life of each member of her family that will not be able to be replaced. What a gift to have had her for the time that you did. I know she was thrilled to be able to be a mother and grandmother as well as a loving aunt, daughter and sister. She is truly beautiful and now her beauty and compassion and love has entered into heavens gates and the arms of Jesus. So she lives on eternally. You will see her once again and embrace her in God's perfect timing. We all prayed for her healing to come here on earth, but her full healing came as she went home to her Savior. Now hearts here will need the healing only God can give. The healing will come as we daily put our trust in the truth that Sheryl is no longer in pain. She is healthy and vibrant once again. She will always treasure all of those she loves here on earth, but will wait for you with joy and peace until the appointed time that you can embrace her once again. Our prayers are with each family member. May God give you strength and peace and bring comfort by His Holy Spirit to your hearts that are missing Sheryl. She would tell you to think of her in a place beyond your hearts most wonderful imagination. No tears.....only love, peace, happiness and unspeakable glory. This is where she has been safely brought home to. She would tell you to make the most of every day and remember the best of times until you meet again. All our love to the Connell family from The Zettek Family

Thank you. Yes she was a blessing to us. She always spread God's words she even helped me feel closer to our Lord. I was blessed to have her for my daughter in law. The family felt blessed to have her in our lives. She was a beautiful soul inside and out. She was very caring, loving, and knowledgeable of the lord's works. She stayed positive and lifted my spirits when I was down. I'm going to miss her so much. My many prayers go out to her mom Jo Ann and family and my son James. I'm just feel bad I could not be there with them. The service we watched and it was beautiful and described Sheryl 100%
