“ *We miss you, Momma. Gerald & I have so many happy memories with you. I know you are happy to be home with Danny and other loved ones. We love you. Everyday that goes by we talk about something else we used to do. Never forget your love for chicken and onion rings. I made Gerald some last night.*

*I miss you and have many fond beautiful memories of you since I was 13 years old. I loved to hear your singing in church, the delicious meals you prepared and your beautiful spirit. There was this one cold night after church, we went to your home. You hand made me a large cup of homemade hot chocolate. The best ever. You have such a loving and giving heart. My Mama Alta Smith loved you with her whole heart and you loved her. You both were there to bring comfort for each other. I'll never forget the Summer we all went to Sand Mountain, Alabama. I wanted to call you today and talk. Then I saw that you went to Heaven. I hope I can be as close to Jesus as you were on earth. I'm striving for it. I love you and we will all be with you soon. ❤️*

Granny Lambert was the sweetest lady I have ever known. It was a pleasure being her daughter in law for the past 20 years.
