“ *I just today learned of the passing of my friend, Sue Pavlock. I first met Sue a number of years ago when I went into Pro-Copy (next to Publix in Temple Terrace) where she worked. We clicked from the very beginning. Every time I went in, we had chatty conversations about every topic you could probably think of. Sue was smart and funny! I knew she'd been in poor health for a long time, but was not aware she'd passed away. I know she will be missed by many. My condolences to her family. Gone too soon. May Sue rest in peace. I just found out about your mother's passing away. I am her cousin Dianne. We were close growing up. I have tried to telephone her several times. I finally went to the memorial page on goggle. I love your mother and will miss talking to her, she was always a wonderful women.*
