

Teresa Hammac Johnson

April 27, 1968 - July 4, 2020

Teresa H Johnson, 52, went home to be with her loved ones in Heaven on July 4, 2020. She suffered with her health for as long as her sweet little heart could last.

She is survived by her husband, Robert Johnson; sons Joshua Porth and Henry Johnson; and sister Tonya Graham.

Teresa resided in the Jacksonville Beach area for many years. She was an artistic, lovely woman with a passion for life.

Teresa is blessed to have many friends and a large family of many aunts, uncles, and cousins. Her children were her pride and true love.

We will join together at Oak Hill Cemetery, 4620 US Hwy 98 S, at 11:00 am on Friday, July 17, 2020. Protective masks are required to be worn at all times during the service.

A gathering of her loved ones will follow after the memorial at the home at 6103 Donegal W. in Lakeland. For those attending the gathering, the family requests to please bring a covered dish.

Teresa and I grew up together and had many wonderful memories. We had such great fun when she moved back to Jacksonville from Lakeland after high school. As we got older we went our separate ways but kept in touch from time to time. I found her on social media several years back. She gladly told me how Joshua and Henry were doing. She loved her boys dearly. I will cherish my fun memories of Teresa. My thoughts and prayers go out to Joshua, Henry, Rob, Tonya and the rest of her family and friends.

“ Sadly, I’ve just learned Tonya who was Teresa’s sister just passed Jan.,23, 2023. I met Tonya just after high school in 81 and dated for several years. In searching for an obit for Tonya I came up with her sisters obit. So SAD having just now found out what happened to both of them. My heart goes out to all the family. The world is a lesser place without them. Rest in peace Teresa and Tonya.

“ *I first met Teresa in homeroom on the first day of 6th grade. We became fast friends. Although we drifted apart, I never forgot her and thought of her often. She will be missed. I sure do miss her smile. Fly high sweet Teresa*

“ We first got to know Teresa as a business woman and a friendship grew from there. As co-manager of our apartment complex in Jacksonville Beach, her work ethic made her an indispensable cog in a complex wheel. Her ingenuity and creative ideas were a blessing when issues large and small would arise. She would tackle anything that needed repair or just sprucing up. We marveled at her bountiful porch garden, pots of beautiful flowering varieties. She was generous in her sharing, so we have plants that she gave us that we will continue to love and care for. It seemed she rarely stood still for very long, she was always on a mission to complete something! We loved the excitement in her voice when she told us stories about Henry at school or describing his happiness when he went to the movies with his dad. Her boundless energy was a motivating force and her positivity an inspiration. Her deep love and devotion to Tonya and Henry was so apparent. I've never known two sisters to be more closely intertwined in the sweetest way possible. Our hearts ache for Tonya and Henry who have to face each day without her physical presence. Her loving spirit will be a constant presence that will keep her alive although unseen. We love Teresa and the imprint she has left on our hearts, never to be forgotten and always thought of with a smile.
