“ I just learned of my grandmother, Teresa's, passing. I wish I could have known sooner to attend the service, but I also find comfort knowing she is with my mother and grandfather in heaven. My heart goes to my family and my grandmother's friends who are all grieving this loss and my gratitude goes to those who helped coordinate the service and burial. I will keep her with me always.

“ I just learned of Teresa's passing. I would see Teresa at Mass and visited her a few times. She was such a sweet and compassionate person with a very deep faith. My prayers and condolences to her family. Teresa will be greatly missed.
