“ hello bev; larry was always so kind, when we were growing up he always had time to play with us; I will always remember his kindness and that he was a Christian. I believe he was more like granny. he had her Christian disposition, her kindness and patience. I felt like he was more like a brother than an uncle, I guess because we were so close in age. I am so sorry that we lived so far away from each other. after saying this, I will miss him so much, just knowing he is not here, but I know he is rejoicing in the presence of god and with his mother.

I love yall, anna
