“ Tim and I graduated from Evangel Christian School together. We were a close group and his wit was quick and his friendship genuine. Some people just made the world seem brighter just by being in it. May God comfort your sad hearts with the many good memories of Tim and the assurance that he is "safe in the arms of Jesus," and that we will see him again. ~Debbie

“ *I have many memories of Tim, all good ones, over his entire life. I will miss him. We shared a common interest in many things. May the Comforter bless and bring rapid healing to family and friends who will miss him as do I. Praise God it is only for a while.*

*Love,
Uncle Jack*
