“ *My friend and fellow FSC alumni. A fighting MOC to the end. Always smiling and happy. A true joy to be around. I can see him and his big grin now. So glad we were able to run with the dogs, and enjoy the buffet with our tour group, Doug, Al, Billy and Spyder. Truly one of a kind. The gentle giant. Love him always and so lucky to have spent very special times with him.*

“ *I feel fortunate to have known Todd since 5th grade. I can honestly say that he was my best friend. We tried to stay in touch since high school via phone calls, trips to Florida, and of course his wedding to his "sweetheart" Beth. I am thankful that last April I flew down to Florida and was able to spend some time with the "Big Guy". He was just as witty as ever, moving a little slower, but then again, Todd was never really fast.*

Our condolences to Beth, Nate, Josh, Sandy, Sarah, Polly, and their families. God bless, Gary and Jody Burkle.

“ *Elizabeth: At one point in high school, Todd, Gary and I were practically inseparable. Though I've not heard from him since those days, my heart is very heavy now. May he rest in peace and may you cherish the memories of a wonderful man.*

“ Todd was the most beautiful man inside and out. Most of my time knowing him was from the Florida Southern years. So many girls swooned when he was any where near! I was lucky because he was best friends with my brother so I got to hang out with them!! They both were so lucky to have a lasting friendship for so many years. My best wishes to his family. I am so sorry you lost such a wonderful man as I know he was a treasured gift to you all.
