This is a beautiful and wondrous video. Ambar, Manny, Gustavo and Aura— we offer our deepest and heartfelt sympathy. We don't like to sugar coat; this will be tough. But, continue to love one another and to celebrate your mom! We are grateful that she brought us Ambar and that loving siblings followed. And that you are all together to comfort each other. Try to stay strong . With Love, Evy and Paul

“ Tomorrow will be a month since you departed. I miss and love you more than words could ever describe. Thank you for being the best abuelita i could have. I hope you're dancing and singing in the sky. There's not a day that goes by that I don't think of you. I can't help but to look around or listen closely to the silence to see if I see or hear any signs from you. I miss you so much:(I wish I could walk up to heaven and bring you right back down so I could give you the biggest hug and tell you all the things I didn't get to tell you. I love you abuelita. I'll see you again. Ok? Wait for me❤️

“ Mami was a fighter, she was strong yet loving. I will miss her calls and calling her. Without you mami life will be so difficult. One day we will be together again. Until that day, I will hold you in my heart always. ❤️ Rest easy mami. I love you!

Kathy. I always remember how delightful and welcoming me you were when I visited you in Puerto Rico with Mami Meche. Your home was always so warm and so organized and so beautifully, yet simply decorated. I loved it! You could have had your own television show on home design. Your spirit, style and resilience now lives in the beautiful and strong children you left behind! They are all grown now...yes! But to mothers, they will always be our children. Go in peace, Tomasita! Your children, grandchildren and great-grandchildren — “ They got this!”
