“ Some of the best times was when Phyllis, Ginny and I would get together. Especially the Labor Day retreats. The one time we remembered was one trip where I picked up Ginny after dark to ride to Camp, the funny images the dark trees made. 50 years of great memories, but oh how much my dear friend will be missed. My heart and prayers go out to you family. 🌹🌸💜🌸🌹

“ Here goes my attempt to say how much Grandma Marshall and her family meant to me!!! I was the most quiet and sheltered worker she probably ever encountered. It was my first job and I would sneak in and out to keep from having to talk to people. But in the end, Country Lane became a family to me and was such a special part of my life. At the heart of that family was Grandma Marshall. She was always there with a smile on her face and always made me feel like home. I will always appreciate her kind spirit, which lives on in her daughters!! I know she is in a better place now, but I know that will not stop you from missing her every day!!!! Love you all and loved her dearly!!!!
