Bill was a wonderful son-in-law, husband to my daughter Donna and a loving father to his children, Megan and Brian. He will be dearly missed by all but kept forever in our minds and hearts.

“ Bill was a good boss, friend, and brother and work will never be the same. I will truly miss our talks about family and good times. Bill cared about all of us as a team and individuals. He was proud of us as a department (most of the time). I will really miss him. May God bless Donna, Megan and Brian and all of the family at this time. May he give you strength and comfort knowing that Bill is with him.
